Membership is open to anyone who is disabled (whatever age) unable to gain access to main stream transport or over the age of 70. Self certification is all that is needed. There is normally no independent evidence required, however we reserve the right to request this. You will also need to reside within the area we operate which is that covered by Wokingham or Bracknell Forest Borough Councils.

Bookings

Dial a Ride and Shopping trips may be booked by telephone during the hours between 9am and 12:30 Monday to Friday (excluding holidays).

Day trips are booked by returning the Application Form, in the addressed envelope provided, which is sent by post at the end of every month.

Dial a Ride bookings need a minimum of two working days notice, as our travel schedules do book up well in advance. Evening and weekend bookings rely on volunteer drivers and may take longer to arrange.

Out of Area need as much notice as possible as we need to make sure a bus is available together with a volunteer driver.

All transport is offered on the understanding that you will wear a seat belt and there is no smoking on or around our vehicles.

KEEP MOBILE has been in operation since the beginning of 1992 and registered as a charity through the Industrial & Provident Society in February 1993. Keep Mobile are managed by trustees by way of a Management Committee made up of wheelchair users, other disabled people, carers and those with many years experience in providing accessible transport. All of our committee are unpaid volunteers. Our mission is to help those in the Wokingham Borough and Bracknell Forest Borough areas unable to use ordinary transport (due to their disability and/or age) to reach their destination, wherever that may be, and have as much of an independent life as is possible with regard to transport.

We operate a fleet of accessible mini-buses all of which have flexible seating arrangements to suit varying needs (i.e. nos. of wheelchair passengers) and passenger lifts for those needing access other than the steps provided at the front of the bus.

All Keep Mobile's Drivers and Passenger Assistants are trained to the Nationally recognised MiDAS standard, (Community Transport Association's Minibus Drivers Awareness Scheme) as recognised by the Department of Transport and ROSPA. We have also achieved the status of having our own MiDAS DATs (Driver Assessor/Trainers) on this scheme. This allows us to ensure that we are training our drivers to the highest National Standard.

We provide the following services, all of which are **door to door**:

Dial a Ride (DAR) where members can telephone to book a journey within the Bracknell and Wokingham Borough areas they require at a time to suit them. We respond by offering a service as near to their requirements as possible. This is now partly funded by Wokingham Borough Council and Bracknell Forest Borough Council.

The **service** is booked by members telephoning with their requirements *at least* two days in advance.

Out of Area where a member requires travel to destinations further afield. Keep Mobile will transport members to any destination in the UK subject to availability. As this service is not supported by any funder we have to rely on voluntary unpaid drivers. The longer notice you give the more chance of us being able to have a driver come forward. All transport is subject to vehicle availability.

Shopping Trips, a regular service to local towns with sufficient time to shop or meet friends etc.

Day excursions, trips to places of interest as published in our programme. We visit many different types of venues near and far most days of the week.

Contract work for other voluntary organisations including Stroke Clubs, Arthritis Care, Polio Fellowship, Berkshire Blind, Alzheimer's Association and Social Services etc.

Group transport where regular transport for meetings or trips is provided. In addition the group can hire a vehicle and use their linked driver (that's a driver dedicated to the group) and the vehicle is used exclusively by the group needing it. In effect it is as a self-drive hire but the driver is trained to MiDAS and has familiarisation training on our vehicles. Bookings can be from an hour to a week.

Phone 0345 544 0850 if you need further information.

If you live in the area covered by Wokingham Borough Council and hold a current Bus Pass you are entitled to the concessionary fare rate. If you are not currently in possession of a Bus Pass you can obtain one directly from the council. You must register the Pass with us prior to travelling to obtain the concession.
